(In the space provided below, please explain in detail the reasons for the delay in filing a proper reply)

An Office Action was mailed on September 21, 2001, to the Applicants. The Applicant (Mark F. Smith) has carefully reviewed his files and has confirmed that the Office Action was never received by the Applicants.

On May 8, 2002, a Notice of Abandonment was sent by the Patent and Trademark Office and was received by the Applicant Mark F. Smith on May 13, 2002. Mr. Smith immediately called the Examiner concerning the status of the subject application and requested a copy of the September 21, 2001 Office Action. A copy of the Action was obtained by the Examiner and was faxed to Mr. Smith on June 14, 2002.

Since receiving the Office Action, Mr. Smith has had several discussions with the Examiner concerning the Office Action and the appropriate Response and has diligently prepared an Amendment and Response to the Office Action. The Amendment and Response is being filed herewith.
